§ 842.803 Conditions for coverage.

(a) *Rigorous positions.* (1) An employee's service in a position that has been determined by the employing agency head to be a rigorous law enforcement officer or firefighter position is covered under the provisions of 5 U.S.C. 8412(d).

(2) An employee who is not in a rigorous position, nor covered while in a secondary position, and who is detailed or temporarily promoted to a rigorous position is not covered under the provisions of 5 U.S.C. 8412(d).

(3) A first-level supervisor position may be determined to be a rigorous position if it satisfies the conditions set forth in § 842.802.

(b) *Secondary positions.* (1) An employee's service in a position that has been determined by the employing agency head to be a secondary law enforcement officer or firefighter position is covered under the provisions of 5 U.S.C. 8412(d), if all of the following criteria are met:

(i) The employee, while covered under the provisions of 5 U.S.C. 8412(d), moves directly (that is, without a break in service exceeding 3 days) from a rigorous position to a secondary position;

(ii) The employee has completed 3 years of service in a rigorous position, including any such service during which no FERS deductions were withheld; and

(iii) The employee has been continuously employed in a secondary position or positions since moving from a rigorous position without a break in service exceeding 3 days, except that a break in employment in secondary positions that begins with an involuntary separation (not for cause), within the meaning of 5 U.S.C. 8414(b)(1)(A), is not considered in determining whether the

service in secondary positions is continuous for this purpose.

(2) An employee who is not a rigorous position, nor covered while in a secondary position, and who is detailed or temporarily promoted to a secondary position is not covered under the provisions of 5 U.S.C. 8412(d).

(c) *Air traffic controller.* An employee's service in a position that has been determined to be an air traffic controller position by the employing agency head is covered under the provisions of 5 U.S.C. 8412(e).

(d) Except as specifically provided in this subpart, an agency head's authority under this section cannot be delegated.

§ 842.804 Evidence.

(a) An agency head's determination under § 842.803(a) (finding that a position is a rigorous position) must be based solely on the official position description of the position in question and any other official description of duties and qualifications. The official documentation for the position should, as soon as is reasonably possible, establish that the primary duties of the position are so rigorous that the agency does not allow individuals to enter the position if they are over a certain age or if they fail to meet certain physical qualifications (that is, physical requirements and/or medical standards), as determined by the employing agency head based on the personnel management needs of the agency for the positions in question.

(b) A determination under §§ 842.803 (b) or (c) must be based on the official position description and any other evidence deemed appropriate by the agency head for making the determination.

(c) If an employee is in a position not subject to the one-half percent higher withholding rate of 5 U.S.C. 8422(a)(2)(B), and the employee does not, within 6 months after entering the position or after any significant change in the position, formally and in writing seek a determination from the employing agency that his position is properly covered by the higher withholding rate, the agency head's determination that the service was not so covered at the

§ 842.805

time of the service is presumed to be correct. This presumption may be rebutted by a preponderance of the evidence that the employee was unaware of his or her status or was prevented by cause beyond his or her control from requesting that the official status be changed at the time the service was performed.

§ 842.805 Withholding and contributions.

(a) During service covered under the conditions established by § 842.803 (a), (b), or (c), the employing agency will deduct and withhold from the employee's base pay the amounts required under 5 U.S.C. 8422(a)(2)(B) and submit that amount to OPM in accordance with payroll office instructions issued by OPM.

(b) During service described in paragraph (a) of this section, the employing agency must submit to OPM the Government contributions required under 5 U.S.C. 8423(a)(1)(B) in accordance with payroll office instructions issued by OPM.

(c) If the correct withholdings and/or Government contributions are not timely submitted to OPM for any reason whatsoever, including cases in which it is finally determined that past service of a current or former employee was subject to the higher deduction and Government contribution rates, the employing agency must correct the error by submitting the correct amounts (including both employee and agency shares) to OPM as soon as possible. Even if the agency waives collection of the overpayment of pay under any waiver authority that may be available for this purpose, such as 5 U.S.C. 5584, or otherwise fails to collect the debt, the correct amount must still be submitted to OPM as soon as possible.

(d) Upon proper application from an employee, former employee or eligible survivor of a former employee, an employing agency or former employing agency will pay a refund or erroneous additional withholdings for service that is found not to have been covered service. If an individual has paid to OPM a deposit or redeposit, including

5 CFR Ch. I (1–1–05 Edition)

the additional amount required for covered service, and the deposit is later determined to be erroneous because the service was not covered service, OPM will pay the refund, upon proper application, to the individual, without interest.

(e) The additional employee withholding and agency contributions for covered service properly made are not separately refundable, even in the event that the employee or his or her survivor does not qualify for a special annuity computation under 5 U.S.C. 8415(d).

(f) While an employee who does not hold a rigorous, secondary, or air traffic controller position is detailed or temporarily promoted to such a position, the additional withholdings and agency contributions will not be made.

(g) While an employee who holds a rigorous, secondary, or air traffic controller position is detailed or temporarily promoted to a position that is not a rigorous, secondary, or air traffic controller position, the additional withholdings and agency contributions will continue to be made.

§ 842.806 Mandatory separation.

(a) The mandatory separation provisions of 5 U.S.C. 8425 apply to all law enforcement officers, firefighters, and air traffic controllers including those in secondary positions and supervisory air traffic controller positions. A mandatory separation under 5 U.S.C. 8425 is not an adverse action under part 752 of this chapter or a removal action under part 359 of this chapter.

(b) Exemptions from mandatory separation are subject to the conditions set forth under 5 U.S.C. 8425. An exemption may be granted at the sole discretion of the head of the employing agency or by the President in accordance with 5 U.S.C. 8425(c).

(c) In the event that an employee is separated mandatorily under 5 U.S.C. 8425, or is separated for optional retirement under 5 U.S.C. 8412 (d) or (e), and OPM finds that all or part of the minimum service required for entitlement to immediate annuity was in a position that did not meet the requirements of
